Energy-saving-check It's simple; fast; efficient! Count me in!

Free of charge for low income households.

Englisch / VIII/2016

My energy-saving-check

My path to lower bills:

- ✓ I will be consulted at home and **free of charge**.
- ✓ I will save energy and **money** instantly.
- ✓ I will be given a **personal savings-plan** that will indicate my saving potential without affecting my quality of life.
- ✓ I will receive **energy-saving products** worth up to 70 Euros, for example energy-saving lightbulbs or water-saving showerheads.
- ✓ My electricity consumption falls and I get to keep more money in my pocket.

Make an appointment.

Energy-saving check at home.
Competent, reliable,
confidential.

A few days later: The energy saving products are installed free of charge.

Reduce your electricity bill with your personal energy-savings plan.
